## A NEW YEAR'S MESSAGE FROM THE PRESIDENT

Dear Neighbors,

A very Happy New Year to you and yours !

May 2022 bring joy, peace and prosperity to us all !

The CGCA has been blessed with great leadership, and we are thankful for the excellent work of our out-going President, Regina Todd, who for two years worked energetically to fight for a better development at the blighted National Wholesale Liquidator's site, together with other notable achievements including the revitalization of the "Bedell Circle", a wonderful new Cathedral Gardens welcoming sign on Bedell, a repaving of Westminster Road (American flags as well), a new Christmas Tree Lighting tradition, and much much more.

Also, we simply must thank Christina McCabe, our out-going Treasurer (and "WebMaster"), for her dedicated efforts. No one has worked harder or better for our Association than Regina and Christina over the past two years.

As we look forward to 2022, the CGCA will promote **Civility and Committees**.

Please join our Good Neighbor Committee which will seek to promote civility as a core value in Cathedral Gardens. I am inspired by George Washington and his "RULES FOR CIVILITY" booklet which honors respect, empathy and consideration as the core of civility.

**Rule #1: "Every action done in company ought to be with some sign of respect for those that are present."**

Civility will uplift us all. Civility maximizes well-being and minimizes harm. Civility is contagious.
