

Dues Campaign 2023

January 2023

Dear Neighbor,

Warmest of New Year's wishes! Welcome to a new year of promoting association, beautification, friendship, and community pride through **your** Cathedral Gardens Civic Association (CGCA). During our dues campaign this year, which runs through March, I encourage you to consider joining us for the first time or continue your monetary support of our shared mission. Please accept this small gift of our newly-designed magnet that you might display as a sign of your commitment to this proud civic tradition.

As we welcome in this promising year together, we ask that you consider joining the 2023 community dues campaign with a **gift of \$30** or another amount you feel called to contribute. No gift is considered too large or too small!

Let's take a look at what CGCA accomplished in 2022 including a number of community events and achievements:

- Coordinated *Welcome Wagon* to dozens of new neighbors
- Gathered for 4th of July painting party
- Presented Family Movie Night at Bedell Ave Circle
- Hosted the '*Fall*' in *Love with Your Neighbors* Event
- Erection and dedication of the Bedell Avenue Circle Flagpole
- Advocated for and coordinated Town of Hempstead road paving
- Beautified Cathedral Gardens with flower baskets, Christmas wreaths, & American flags
- Shared civic news on the Cathedral Gardens Civic Social page on Facebook
- Celebrated Christmas Tree lighting and social

Your generosity may be shared with the CGCA the following ways:

- **Venmo** @CathedralGardens-CivicAssociation
- **PayPal** (located at www.cathedralgardenscivicassociation.com click on Membership)

- Please indicate a personal payment rather than a payment for goods and services to avoid the commercial fee
- Mail **check** payable to *Cathedral Gardens Civic Association* along with the tear off at the bottom of this letter in the enclosed envelope addressed to: **P.O. Box 267 West Hempstead, NY 11552.**
 - If exercising this option, please include your name, address, and telephone number.

The CGCA welcomes donations of time and talent through service on one of our many committees! Our work is made possible through dedicated neighborhood partners like you. Interested? Please write to us at email@cathedralgardenscivicassociation.com!

Once again, as we welcome in the new year, I invite you to join or continue supporting our civic association through our dues campaign and consider sharing the gifts of your time and talent with your neighbors.

Very Respectfully,

David J. Miller, Jr.
